

REACH Declaration of Compliance

Holmes Circuits Designs Limited is a manufacturer of electronic hardware. We are therefore considered a “downstream user” as far as the REACH document is concerned.

Holmes Circuits Designs Limited is therefore not obligated to register with the European Agency for Chemicals ‘ECHA’.

Products sold by Holmes Circuits Designs Limited are “articles” as defined in REACH (Article 3 Definitions). Moreover, and under normal and reasonably foreseeable circumstances of application, the articles supplied shall not release any substance. For that, Holmes Circuits Designs Limited is neither obligatory for registration nor for the creation of material safety data sheets.

In order to assure our customers the continual supply of reliable and safe products, we ensure that our suppliers fulfil all requirements regarding chemical substances and prepared materials.

A handwritten signature in black ink, appearing to read 'Gene Holmes', is positioned above the printed name.
